Reading	<p>This week we are going to review Non Fiction Text Features. Today you will listen to the text feature powerpoint below. After you listen to the powerpoint you will go into your Seesaw account and complete the reading activity for 5/4 labeled Non Fiction Text Feature Match Up. You will match up the text feature word to the text feature picture. Don't forget to submit your work to your teacher.</p> <p>Non Fiction Text Feature Powerpoint</p>	Math	<p>Today in math, we will be learning about "Equal and Unequal Parts". First, watch the instructional video on what equal and unequal parts are. Once you have watched the video, you will log into your Seesaw account and you will complete 2 activities today for Tuesday 5/5, both are on equal and unequal parts. Be sure to read the directions carefully on both activities. Once you have completed both activities, submit them to your teacher.</p> <p>Equal and Unequal Video Link</p>	Reading	<p>Today you will continue reviewing text features. You will listen to the read aloud video Non Fiction Text Feature book. The link for the video is below. After you watch the video you will go to your Seesaw account and complete the activity labeled reading 5/6 Non Fiction Text Feature Article Match Up. You will match the text feature word to where the text feature is located on the Farm Animals Article. Make sure to submit your work to your teacher.</p> <p>Non Fiction Text Feature Book</p>	Math	<p>Today in math, we will be learning about "Fractions". This will stem off of what we learned on Tuesday about "Equal and Unequal Parts". First, watch the instructional video on fractions. Once you have watched the video, you will log into your Seesaw account and complete 2 activities today for Thursday 5/7. Be sure to read the directions carefully on both activities. Once you have completed both activities, submit them to your teachers.</p> <p>Fractions Video Link</p>	Reading	<p>Today you will show us what you know about Text Features. Then you will get to do a fun activity to surprise your mom. First, go into your Freckle account using the link below. After you go into your account go to From My Teacher. Click on the Reading 5/8 Text Features assignment. You will answer 4 quick questions about text features. Really pay attention to what they are asking you. After you complete that you will go into your Seesaw account. You will click on the Mother's Day Message activity. You will use the drawing tools to draw a picture of your mom and then you will type in or write describing words about your mom. Then record your message saying, "My mom is..." On Sunday you can find it in your journal so your mom can hear the message and print out her picture.</p> <p>Freckle</p>
Writing	<p>Today in writing we are going to review and do an opinion writing together. We are going to brainstorm ideas in a bubble map and write our Opinion Statement. Click on the video link below to view today's lesson. During this lesson, I will be asking you to pause the video, so you can write down ideas onto your bubble map. Once you have written down your ideas or reasons, then you will unpause the video and continue the lesson. This lesson should be completed with pencil and paper. Your teacher has put some writing paper for you to use on your Seesaw account. You can print it out to write on or use your own paper you have at home. This assignment should not be typed. It should be in your own handwriting. Please submit a picture (up close) to your teacher of your daily writing lesson. We will give you feedback on each piece of the writing you submit. Will will then resubmit it to you so that you can finish it on Wednesday and again on Friday.</p> <p>Writing Lesson 1</p>	Writing	<p>Today we will continue with our Opinion Writing. Please click on the link below to watch the video for the continuation of our lesson. Remember you will be pausing the video at a certain time so that you can write down your own opinion on your paper. Don't forget to submit a picture of your writing for today to your teacher. You can send it through email or on Seesaw. Please remember this should be done on paper and not typed out.</p> <p>Writing Lesson 2</p>	Writing	<p>Today in Science, we will continue to learn about Earth-Space Science. First, select the Studies Weekly link below and log in to your account. After you log in to your account, please select Science Week 8 Earth-Space Science - The Sun. Then, read the passages: The Sun, Sunrise & Sunset, The Sun & Earth, Night & Day, and Look & Learn. For Extra Practice, you can complete the Do & Learn and Draw a Picture Activities. Please submit drawing by taking a picture and submitting it to your teacher through your seesaw account. Last, select the BLUE Take Test button and take the test on Week 8 Earth-Space Science - The Sun.</p> <p>Writing Lesson 3</p>	Writing	<p>Today in writing we will finish our Opinion Writing lesson. Please click the link below to finish your writing and then edit your paper. Please submit a picture of your final writing to your teacher through email or Seesaw. We cannot wait to see your finished product. Don't forget to draw a picture of your writing.</p>		
Social Studies	<p>This week is Social Studies, we will continue to learn about Communities. Today, you are going to select the Studies Weekly link at the bottom of the page. Once you log in to your Studies Weekly Account, please select Social Studies Week 26 - Changes in Communities. Please read the passages: Changes in Communities, Building Villages, Population Growth, Roads, and Villages & Cities. After you read each passage, please remember to answer the three questions at the bottom of the page before moving on to the next passage.</p> <p>Studies Weekly Link</p>	Science	<p>This week in Science, we will continue to learn about Earth-Space Science.
