Reading	Please go to your teacher's page on this website to view their morning message for the day. Each day your teacher will have a new morning message for you. After viewing your teacher's page click on the two links below and get your accounts set up for future lessons. Your parents have been emailed your usernames, passwords, and/or codes.	Math	Today, we will be reviewing 3 digit place value on how to read the value of each digit, how to draw and build the number, and writing the "word form" of that number. Please log into your Seesaw account to complete the activity called "Place Value - 3 digit numbers".	Reading	Please click on the link below to listen to the Secret Garden. After listening to the Secret Garden go into your SeeSaw account. In the Activities section click on the Compare and Contrast activity. Follow the directions to add your response. You are going to Compare and Contrast Mary and Colin from our story. Today you will only write in the middle section of our Venn Diagram. In this space you will write down somethings that are the same about Mary and Colin. The Secret Garden Read Aloud	Math	Today, we will be reviewing and completing 2 digit addition word problems and how to be able to read and understand what each problem is asking to solve. Please log into your Seesaw account to complete the activity called "2 digit word problems".	Reading	Please click on the link below if you would like to listen to the Secret Garden again. After listening go into your SeeSaw account. In the Activities section click on the Compare and Contrast activity again. Today you will only write on the two outside sections of our Venn Diagram. On the section on the right side write somethings about Mary that makes her different from Colin. On the section on the left side write somethings about Colin that makes him different from Mary. The Secret Garden Read Aloud
Writing		Science	Today, we are going to review what we have learned about plants. Please log in to your studies weekly account. Select Week 2: Life Science - Plants. Watch the video: "Plants". Read: Plants, Trees, Roots & Leaves, Stems & Seeds, Tree Tunk. Complete the "Look & Learn" Activity by drawing a line from the part of a plant to its name.	Writing	Today we will be practicing writing complete sentences in time order. You will complete the assignment in Seesaw on Retelling the Story. Please retell the story, "The Secret Garden", in your own words. Remember to tell about the main events that happened in each part of the story. Make sure you have complete sentences. You can have more than one sentence for each part if needed. We would love to see that.	Science	Today, we are going to continue our review on what we have learned about plants. Please log in to your Studies Weekly account. Select Week 2: Life Science - Plants. Review: Plants, Trees, Roots & Leaves, Stems & Seeds, Tree Tunk. Complete the "Fill In The Blanks" Activity by choosing the correct word from the word bank to complete each sentence. Extension Activity: Complete the "Do & Learn" Activity.	Writing	Today you will write an opinion writing on who was your favorite character and why. Remember to state your opinion and give 3 reasons with transition words, and a conclusion. Click on your seesaw.com website and log on to your page. Click on "What's your opinion?" assignment. Can't wait to see who your favorite is and why! Remember capitals and end marks. Seesaw Link
